

# Facebook Censors a Post With Evidence That Obama Gay and Michelle is a Tranny

On 11/29/2016, I was notified online that my FB account "Hsaive" would be suspended from posting for 3 days based on a post that links to a YT video with evidence that Joan Rivers was murdered for exposing Obama as Gay and Michelle as a Tranny.

The YT video was not uploaded by me but by YT channel, "**FisherofMen2**".

The video remains accessible on YT as of this date but my Facebook account has been placed on administrative censorship for 3 days.
